

Carting Seminars

The Newfoundland Club of Northern California - (NCNC) is happy to announce that they will put on a carting seminar on 11 February 2012 in Antioch and 10 March 2012. in the South Bay Area.

Directions to the seminar site will be provided with registration confirmation.

The faculty will consist of the usual group of NCNC draft and carting experts.

At this time the tentative list of subjects will include;

Beginning Carting - This class is for the beginner and covers, carts, harnesses and how to get your dog involved. Beginners are asked to bring an extra leash.

Intermediate Carting - This class is for graduates from the beginning class. It'll cover sharp turns, negotiating narrows, and teaching your dog to backup.

Draft Test Preparation - This class helps people train for a Newfy draft test but would probably be helpful for people going to other breed's draft test.

Other subjects will be added depending upon the information received with your applications.

A delicious hot lunch is provided only for pre-registered participants.

Carting Seminar Signups
